

23 June 1947 (date reported)

McCARGAR, chief of the Political Section of the US Legation in Budapest, sent Captain HACKNER to Vienna yesterday to discuss the three following points:

- a. The evacuation of several prominent political personalities now in danger.
- b. The evacuation of the brother of ZERO who is living underground. ZERO himself has been arrested on suspicion and nothing can be done for him at the moment.
- c. The evacuation of BRONSON (Zoltan TILBY) and family. Total of 8 persons.

Our replies were:

- a. Clear with State in Washington on who will contact CIG on each case. This in accord with WASH 3410.
- b. We are arranging to evacuate ZERO's brother through our illegal border crossing point.
